

The Governing Body of Tow Law Millennium Primary School currently has a vacancy for a Parent Governor as the term of office of the current Governor Claire Wild has ended. Claire has worked hard as part of the Governing Body during her term of office and we thank her for her support. If any other parents would like to put their names forward for this post please contact the school via email to towlaw@durhamlearning.net or ring the school to speak to the Headteacher on 01388 730283.

The role of a Governor is a very important one requiring dedication and commitment and attendance at meetings is vital. Governors currently meet as a full Governing Body 6 times each year, with additional regular committee meetings and / or Working Party meetings throughout each term. All we ask initially is that you would be able to attend meetings regularly as a good attendance record will be required and that, when attending meetings, you take an active part by asking questions and making comments. Meetings are usually held in school but, due to Covid restrictions, currently are being held via Teams.

Governors are not responsible for the day-to-day management of the school; however, they do have an equally important role within the school.

If you would like an informal chat about the role of a Governor please contact me, Lisa Croft, Chair of Governors, or Lisa Jackson, Headteacher, by email at towlaw@durhamlearning.net. Alternatively telephone the school to leave your contact details and we will contact you to arrange a date and time to meet with you in school.

Lisa Croft
Chair of Governors
Closing Date: 9th April 2021
